

## FPV Drone Race Gear Checklist

Use this checklist to make sure you have everything you need before heading to the event!

### General items for racers and spectators:

- Weather protection (sunblock, hat, umbrella, gear cover)
- Water
- Food
- FPV goggles (+ batteries)
- Cleanup supplies (trash bags, hand sanitizer, baby wipes, towel)
- Seating
- General travel items (USB power bank, money, directions to the event)

### Racing specific checklist:

- Quadcopter
- RC radio transmitter
- Batteries (one per heat, extra for FPV goggles if required, and enough for any practice sessions)
- Extra parts (props, prop nuts, frame bolts)
- Repair parts (optionally: extra frame parts, FPV camera, ESCs, motors)
- Tools (prop wrench, hex drivers, pliers, portable soldering iron)
- Repair accessories (zip ties, electrical tape, heat shrink, solder)
- VTX channel guide
- Extra antennas (both LHCP and RHCP)
- Race transponder or apps setup (check with event coordinators or group for more info)

### Group checklist:

Item	Who's responsible + notes
Shelter	
Tables	
Extra chairs	
Cooler	
Laptop + USB cable	
Portable generator
